

LET YOUR VOICE BE HEARD ON SERVICE SUGGESTIONS

Please review the Scenario Ideas on the TDP'23 Page and fill out the survey!

Survey is open until September 30th

RRTA Route 1

Existing Service
Park City Center to S. Broad Street (South-east Lancaster) via Downtown Lancaster

Scenario 1
The coverage currently provided by Route 1 would be picked up by three separate routes. East of downtown Lancaster, Route 1 would serve areas currently served by Route 1 and Route 2, and operate as a bidirectional circulator, linking downtown, LGH, McCaskey High School, Thaddeus Stevens College, Brothers Foodmax, Save-A-Lot, and several multi-family housing communities. Route 1 service west and north of downtown would be picked up by proposed Route 4 (see Route 4) and Route 8 (see Route 8).

Scenario 2
The coverage currently provided by Route 1 would be picked up by two separate routes and a proposed microtransit zone. East of downtown Lancaster, coverage would be provided by a proposed east Lancaster microtransit zone. Route 1 service west and north of downtown would be picked up by proposed Route 4 (see Route 4) and Route 8 (see Route 8).
